

The aim of this Policy: to eliminate the adverse effects of smoking on the comfort, well-being, safety, and health of residents and guests of Bridport Cohousing, while recognising the wishes of smokers.

1. Smoking is not permitted in common indoor or outdoor space.
2. All residents may smoke or permit smoking in their private unit and in the area immediately to the rear of their unit. However, if a member or guest is affected by the smoke and requests that the smoker stop smoking, the smoker will comply.
3. Smokers are responsible for the proper disposal of smoking materials.
4. Bridport Cohousing members are responsible for informing their visitors of the smoking policy.
5. Bridport Cohousing will identify an area in the common outdoor space where smoking is permitted.
